PENINSULAR & ORIENTAL STEAM NAVIGATION COMPANY. NOTICE OF REDUCTION OF PASS.

AGE MONEY. N the year 1867 the Directors made a considerable reduction in the Company's rates of Passage Money, which continued in force till 1881; In that year owing to the extraordinary rise in the Cost and Freight of Coals, and the enhanced price of ull descriptions of Navai Stores, the Directors were reluctantly compalled to return to the rates of Passage Money previously in force. They are now happy to state that a decrease in the price of Coal and other expenses of Steam Navigation enables them to reduce the Company's Passage rutes to the undernoted scale, which will take offect from and after the 1st June usat, viz:-
